

## **Best Practices**

### **1. Social Awareness programme**

#### **Objectives of the Practice:**

- To create awareness against superstition and prejudice among rural people.
- To increase the participation of students in cultural activity.
- To develop communication skill adjustment ability of the learner.
- To equip students with valuable experiences as they apply the concepts gained on social awareness on a community level.

#### **The Context :**

The institution is situated in a rural area of Sonamura subdivision. Apart from this most of the students come from rural and poor background, who have agricultural family and first generation learner. Keeping these local needs in mind, the College has taken some strategies for creating social awareness among rural people about superstition and prejudice, about health issue. The students take active participation in, dance drama, drama (patha natika), wall magazine, poster, special camp, project work, door to door visit etc in local area for creating social awareness among rural people.

#### **The Practice:**

Education is the most powerful instrument of social change. The function of education is the development of society and nation. Although we are living in 21st century, still there are superstitions and prejudices prevailing in our Indian society. Social awareness through reflection of important ideas, events or entities impact the society. Debate, discussion, dance drama, drama (Patha Natika), wall magazine, poster, special camp, project method, door to door visit etc. are used as a technique of programme. We need to create awareness programmes to solve the problem of superstition and prejudice in rural and slum area. The present best practice is used for increase of social awareness among community level. The young students will participate in the programme.

### **2. Social value based activity is an undividable part of the institution**

#### **Goal:**

- The institution aims at inculcating social values among students by organizing different extra cocurricular activities.
- To assist in co curricular planning of the institution.
- To develop the whole round personality of learner.
- To make responsible citizen of society.

#### **The Context:**

The NSS units, the NCC unit, cultural committee and the science forum of the college are actively engaged in promoting social value based activity for the students.

#### **The Practice:**

The college needs to perform its social responsibility by organizing different extra-curricular activities in the neighbouring areas of the college. Co curricular activities are the most crucial aspect for social development of students, which emphasizes community services and inculcates different human values among them. The NSS unit of the college has the approved enrolment capacity of 120 volunteers in each academic session comprising both boy and girl

students. The NCC unit has 54 volunteers for each academic session. These unit is organizing different program for students.
